WHAT IS EMEI QIGONG?
Emei Qigong is a comprehensive method for healing disease and distress, with several progressive levels that teach theory, movement forms, and other techniques. Until recently, this 800-year-old system was practiced only by monks. Thanks to Grandmaster Fu Wei Zhong, the 13'h lineage holder of the Emei Qigong tradition, lay people can now learn how to use its energy cleansing and cultivation methods to hasten the healing of body, mind and spirit. The Level I training provides a rich body of knowledge that can inform a lifetime of practice.
